

**SHIPPING & RETURNS**

Our products are made-to-order and typically ship within four to six weeks; however, lead times can vary depending upon the time of year, size of the order and availability of materials. Once we receive your order and payment, we will assemble your order and ship it in between four to six weeks, unless we notify you otherwise. We work extremely hard to turn orders around as quickly as possible while maintaining our commitment to producing high-quality, handcrafted products made to exacting specifications. Once we complete your order, please allow between two and eight days for shipping. Most orders typically arrive via freight between three and six weeks from the time we receive your order and payment.

Due to size and weight, your furniture order will be delivered to your driveway or curbside. Placement of the item in the home and package removal is not provided. You must be present at the time of drop-off.

If you are receiving assembled pieces please handle with care, as you would any new furniture. Although Hard Goods furniture is durable and intended for outdoor use, improper handling can damage your furniture. Place all furniture on the ground on the furniture feet only. If you must lay furniture on its side please use a blanket, cardboard, or other soft surface. Do not drag pieces over ground surfaces. Use moving blankets to protect surfaces while moving to intended locations. Use wheeled dollies to reduce damage potential and excessive wear.

We ship most orders via freight within the continental United States. Our shipping charges are intended to compensate our company for processing your order, handling and packing the products you purchase, delivering them to you, related overhead and other expenses. We are unable to process International web orders. Please contact us to inquire about International shipping options.
